As we worship you, Lord, reveal to us your glory. Let us feel your love and know with certainty that we have been in your holy presence. As we draw close to God in worship, let us also draw close to others in love and friendship. Pray earnestly, sing joyously, listen intently and greet one another sincerely. **Welcome to all!**

**The New Me...** New beginnings, they can be exciting or they can be devastating. A friend of mine has been thrown into a new beginning twice in this life because of the death of a spouse. People all around us are forced into new beginnings because of job loss. My parents are living a new life because of the aging process. Some of us just look at the lives we are living and make the conscious decision that today is the day we are going to change our lives. There is a new life we should all be seeking, one that we should all hunger for. Jesus Christ lived, died, and then was resurrected so we could follow Him and experience new life, eternal life. It is only in Christ that we can become a "new me." When we confess our sin and believe in our hearts that God raised Him from the dead, we are saved to follow the risen Lord in a new way of life. It is a life that will bring blessings and hope and joy. Accept Jesus as your Lord and Savior and follow Him today. -- *Open Windows*
