**Welcome to worship!** St. Paul wrote that in Christ "all things hold together" (Col. 1:17, NRSV). As we worship, let us remember that only Christ can hold a person, a church or a nation together. We have come together to glorify you, Lord of all. May we not miss any word you wish for us to hear and obey today.

Please be in prayer this week for our Youth, Joey & the Chaperones as they go on their Retreat at Fort Caswell, with many other youth. May God work in their lives, as they learn more about Him and share His love with others!

**Men's Breakfast** -- It's great food and a time for all men & boys to learn more and grow in Christ! Invite some friends and join us on **Sunday, Aug. 18th @ 8:00 a.m.**, in the fellowship hall. If you plan to attend, please sign up in the church foyer.

**Senior Adults...** Sign up now and go with us on our next outing on **Tuesday, Aug. 27th**. We'll leave the church at 11:00 a.m. to have lunch at *Olive Garden* and then go see the new Kendrick Brothers' movie **"The Forge."** This is a spin-off and sequel to *War Room* and is their ninth film. Invite a friend and come join us!

**The Source of Wisdom...** In today's world, knowledge can be accessed at the click of a button. We can learn about anything and everything with little searching. We have become anything and everything with little searching. We have become instant experts about any subject we will research and learn. I think we can all agree that we are abounding with knowledge; however, we are sorely lacking in wisdom.

Wisdom is the ability to employ knowledge in ways that are godly and effective. In a day of fact-checkers, alternate facts, and hidden facts, knowing truth is difficult at best. We run headlong into political, societal, and godless spiritual rhetoric at every turn. What to believe and how to determine God's path for us is becoming more difficult with each day that passes. It seems we are looking on as the world we've known becomes an alien landscape with ever-changing focus. Deciphering popular narrative requires more than knowledge of fact; it requires wisdom. God himself is the only true source of true wisdom. Only He can enable us to divide truth from error and applied truth from expedient narrative. God's truth is the one we hold to as His people. The wisdom He provides enables us to apply His truth to all situations of life. *"For the Lord gives wisdom: from his mouth come knowledge and understanding."* -- Proverbs 2:6, NIV (An Open Windows devotion)
